

Chosen

Chosen to do a work for the Master
Called out, called out
Spreadin' good news about Jesus
Called out to be a witness
Chosen to do a work for the Master
Called out, called out

(Solo)

We're living in the last days
We can see it all around
People looking for a new direction
Tired of being bound
While searching for the answer
I was told about the Christ
Since I met Him I'm a brand new creature
Since He came to give me life!

(Refrain)

(Solo)

Seek and you will find Him
For His promises are true
And when you try Him you will know it
And you will be a witness too!

Bridge:

Since I met Him I've been touched by His love
And I'm changed. (2x)

(Solo)

Give your heart and soul to Jesus
Let Him have complete control
He will bless you and renew your spirit
You will want

(Chor)

the world to know!

(Refrain)
